Ambitious bootcamp graduate eager to continue learning React, Django, & Java. I have an eye for detail, am task oriented, and excited to pursue my journey as a Software Engineer.

### SKILLS

Languages and Frameworks: JavaScript | Python | CSS/HTML | Axios | NodeJS | Express | Bootstrap  
Technologies: REACT | PostgreSQL | MySQL | MongoDB | Django

### SOFTWARE ENGINEERING EXPERIENCE

**Software Engineering Immersive** | General Assembly | Remote March 2022 - June 2022

Structured software development course. Fast-paced, full-time remote environment with strict project deadlines, curriculum including debugging, troubleshooting, and computer science.

Developed projects, include:

Margarita Mile - (Full-stack)

**Django, Python, PostgreSQL**

- Managed development milestones from initial steps through final delivery.
- Created interactive and responsive websites using Django frameworks.
- Delivered project reports and milestone updates to supervisor.

ChowTown- (UX, Front end, Project Management)

**JavaScript, MongoDB, Bootstrap, Express**

- Collaborated with back-end engineers to ensure prioritized tasks and completed in order of importance.
- Integrated third-party recipe API
- Integrated web application for mobile platforms into front end environment.

Bob's Burgers API-(Front end)

**React, Bootstrap, CSS/HTML**

- Implementing 500 character API with React using a pagination filtering system
- Troubleshoot API system to correct layout of characters
- Addressed technical and design requirements, integrating front-end elements to maintain web presence effectiveness.

### PREVIOUS WORK EXPERIENCE

**Valerian Home Health & Hospice**, Administrative Assistant

Jul 2020 - Mar 2022

- Implemented and improved patient intake processing system, created a shared digital network for better staff implementation and communication.
- Coordinated customer service, patient scheduling and billing.
- Reviewed time sheets, work charts, wage computation and other information to detect and reconcile payroll discrepancies.

**College Nannies and Tutors**, Private Nanny

Feb 2014 - Jul 2020

- Monitored schedules to maintain sleeping, eating and school schedules for children.
- Established lasting, professional connections with families and children by encouraging open communication and delivering positive feedback.

### EDUCATION

**General Assembly**, *Certificate, Software Engineering Immersive (SEI)*

**Virginia College Austin, Austin, Texas** *Associates of Science in Respiratory Care*
